Re: Second Review of Final Plans for *Reaches 5 and 6* of The Glade
WSSI #20030

We invite you to join us for the second review of the Final Plans for Reaches 5 and 6 of The Glade stream:

Location: The Basketball Court off of Hunting Horn Lane (see attached map) – we will have a tent and tables set up on the court for plan review and a lunchtime cookout.

Time: 9:00 AM – 1:30 PM (earlier if rain precludes walk)

Date: Saturday – September 26, 2009

Reach 5 starts at Soapstone Drive (across from the fire ring) and ends just upstream of the beaver area. Reach 6 starts below the beaver area and continues downstream to Twin Branches Road. A map of this area is attached to better illustrate the subject reaches.

The purpose of this meeting is to:

1. Show you the Final Plans that reflect the final design that has incorporated citizen comments received to date as a result of the Preliminary Plan process as well as a few comments received at the first review of the Final Plans held on September 12th.
2. Walk the streams (be prepared for stickers, mud, and walking in water) and access areas to visualize them in conjunction with the Final Plans. The limits of clearing will be flagged in advance, as well as all the trees proposed to be removed.
